My dear Sir,

I am directed to return the two files relating to Mr.S.Subba Rao, Assistant Surgeon.

Col.Foulkes has made a representation to His Highness in regard to the orders passed in these files.

As regards the batta granted to Mr.Subba Rao while at Dera Dhun, His Highness sees no reason to reopen the question and Col.Foulkes himself does not press it.

In the matter however of Mr.Subba Rao's charge allowance at the Mysore Hospital, His Highness after careful consideration of papers is of opinion that the allowance of Rs.100/- a month is not, by any means, an excessive allowance to grant to the Resident Medical Officer of such an important hospital as Mysore.

His Highness would be glad if revised orders could be passed sanctioning an allowance of Rs.100/- a month.

I resubmit for orders the papers relating to the grant of a suitable local allowance to the Resident Medical officer, Mysore General Hospital.

3. Under disposal.

2. As suggested in Mr. Campbell's letter No. 22^x dated the 15th/17th August 1914, orders will issue granting a local allowance of Rs.100/- per mensem to the Resident Medical Officer.

3. The Council are of opinion that he may be debarred from private practice including consultation practice. The reasons for prohibiting consultation practice are -

(i) that the grant of the concession in this case will form an inconvenient precedent, and

(ii) that it will entail the officer's frequent absence from the post to the prejudice of the Hospital patients.

4. In the foregoing circumstances, the opinion of the Council may be approved.
